

Community Project Proposal Form

Thank you for your interest in partnering with Help Me Grow North Texas to improve and expand families' access to services, child development/parenting information, and protective factors to best support their family unit across the North Texas region. This form allows community agencies to connect potential partner project opportunities with Help Me Grow North Texas.

Proposals need to be submitted by the first Friday of every month to be considered at that month's Help Me Grow North Texas leadership team meeting. If you have any questions while filling out this form or are ready to submit your form, please email [Stephanie Norton](#) and [Faith Rivera](#). After the leadership team discusses the proposal, the point of contact from Help Me Grow North Texas will be determined for potential next steps and reach out to the agency point of contact listed below.
